*Note: Above rates are for shipments to the continental U.S. We do not ship products internationally.			

Warm Weather Packaging

We want to deliver your order in the best condition possible. To accomplish this during warm weather it is necessary to use special "warm weather" packaging for chocolate items.

- During the warmer summer months we do not ship orders containing chocolate or caramel apples to APO or P.O. Box addresses.
- Orders received on Wednesday that include chocolate coated items or caramel apples will not ship until the following Monday.
- The above items do not apply to non-chocolate items. Any non-chocolate item will ship great during warmer temperatures such as our fudge, salt water taffy, brittle or crunches, caramels, and caramel corn.
