SHIPPING & PACKAGING

Your purchase is guaranteed to arrive in perfect condition. Our packaging and shipping practices protect your order, even during the warmest weather. If for any reason your order doesn't arrive in perfect condition or you are not completely satisfied with any of our products, simply **return them to us in their original packaging along with the receipt for a prompt and courteous replacement, exchange or refund.** All return expenses are the responsibility of the purchaser.

WARM WEATHER PACKAGING

During warm weather it is necessary to use special "warm weather" packaging for chocolate items.

- We do not ship orders containing chocolate or caramel apples to APO or P.O. Box addresses.
- Orders received on Wednesday that include chocolate-coated items or caramel apples will not ship until the following Monday.

This does not apply to non-chocolate items. Any non-chocolate item will ship great during warmer temperatures such as our fudge, salt water taffy, brittle or crunches, caramels, and caramel corn.
